

Preferred Vendor List

We do require that you choose a caterer, bartender (if applicable to your event), and DJ from our preferred vendor list. If the decision is made *to not* use a member of our preferred vendor list, there is a \$500.00 buyout fee per vendor category and vendors must still meet the requirements outlined in the rental agreement.

Other vendors such as photographers, videographers, florists, hair/makeup artists, etc., you are free to select whomever you would like. If you would like us to make recommendations on vendors in those categories, we are happy to do so!
